

NAIL TECHNICIAN

(Offered at all campuses)

PROGRAM OBJECTIVE

To prepare students to meet the Florida State Board of Cosmetology mandated requirements to become a licensed Nail Technician.

CLOCK HOURS: 240

PROGRAM DESCRIPTION

The Nail Technician program prepares students to become trained professionals in a growing industry. Students participate in a hands-on program of instruction in all areas of nail care, including practical application, related theory, infectious control, and customer service. The program is designed to provide comprehensive knowledge to provide basic manicures. Students may exercise their artistic talents with creative projects in nail design. Students will gain expertise that will equip them to work in nail salons, hotel spas, cruise ships, and at other nail service providers.
