

ADDENDUM TO PROGRAMS PAGE 91

SKIN AND MAKEUP ARTIST SPECIALIST

Program Objective

To prepare the student to meet the State of Florida mandated requirements to become a Facial Specialist as well as a professional Makeup Artist Specialist. To help students build their confidence and prepare them for the real world.

CLOCK HOURS: 600

Program Description

The Skin and Makeup Artist Specialist program is designed to fully prepare the students with the skills and knowledge needed to work in salons, spas and major makeup companies. You will learn to perform complete facial treatments, techniques and resources to use in order to meet your clients' specific skin care needs. This course will teach a strong foundation in the world of makeup artistry. Students will learn techniques to work in array of different venues, marketing skills to be successful in the Makeup Artistry Specialist career.
